SUMMER CAMPS  
+  
SUMMER SCHOOL  
=  
A FUN, EDUCATIONAL EXPERIENCE!

# Little Learners Summer Sunsatation

**Summer Camps + Summer School = A FUN, EDUCATIONAL EXPERIENCE!**

We are doing things a little differently this summer. We are combining our super fun summer camp themes, with a classroom experience for ages 2—10.

Each class will have a morning group time, a Bible story time, bathroom and snack time, academic time, and of course a summer theme-related craft and activity time. We will still do our annual tie-dye shirts and our trip to the Lincoln Children's Zoo on Friday, June 26 (if it's open).

**2's:** In the Terrific Two's class, we will focus on a review of the letters, numbers, colors, and shapes.

**3's:** In the Thriving Three's class, we will focus on a review of the letters and numbers, math skills, which include: one-to-one correspondence for #'s 1-10, counting, sorting, and patterning. The correct printing of first names, and cutting skills will also be reviewed.

**4's/5's:** In the Fantastic Four's and Five's class, the focus will be an overview of letters, numbers, sight words, correct letter formation, writing of first and last name, and a variety of math skills, which include: one-to-one correspondence for #'s 1-20, classifying and sorting grouped items, and geometric shapes.

**7-10 year olds:** The first week of the summer will be spent doing a brief overall evaluation of each student so that the teacher create an individual learning plan for each student. This class will be limited to 6 students.

**Extended Care Hours:** 7:30-8:45 a.m./11:45-5:30 p.m.

**Extended Care Fees:** Morning: \$5 flat fee/day; Afternoon: \$6/hour/day

If staying for lunch, it will be necessary to bring a lunch from home.

**Camp schedules:** (Rates are for the times of 8:45-11:45 a.m.)

- Parents can choose a weekly schedule of any 2 to 5 days any or all weeks. (See weekly schedule and rates)
- Parents can chose one or both monthly rates, which offer a 20% saving over weekly rates.
- The 7-10 year old class is available by month(s) only, in order to create a cohesive plan for each student.

**Along with the fun summer themes, there will be lots of art projects and science experiments! This summer is going to be so full of laughter and learning!**

**We hope your family will join us!**
