Little Learners Summer Sunsatation

Summer Camps + Summer School = A FUN, EDUCATIONAL EXPERIENCE!

We are doing things a little differently this summer. We are combining our super fun summer camp themes, with a classroom experience for ages 2—10.

Each class will have a morning group time, a Bible story time, bathroom and snack time, academic time, and of course a summer theme-related craft and activity time. We will still do our annual tie-dye shirts and our trip to the Lincoln Children's Zoo on Friday, June 26 (if it's open).

2's: In the Terrific Two's class, we will focus on a review of the letters, numbers, colors, and shapes.

3's: In the Thriving Three's class, we will focus on a review of the letters and numbers, math skills, which include: one-to-one correspondence for #'s 1-10, counting, sorting, and patterning. The correct printing of first names, and cutting skills will also be reviewed.

4's/5's: In the Fantastic Four's and Five's class, the focus will be an overview of letters, numbers, sight words, correct letter formation, writing of first and last name, and a variety of math skills, which include: one-to-one correspondence for #'s 1-20, classifying and sorting grouped items, and geometric shapes.

7-10 year olds: This group will do a lot of science experiments, art projects, and much more!

Extended Care Hours: 7:30-8:45 a.m./11:45-5:30 p.m. (No Afternoon Extended Care Aug. 6)

Extended Care Fees: Morning: \$5 flat fee/day; Afternoon: \$6/hour/day

If staying for lunch, it will be necessary to bring a lunch from home. **We provide the snacks!**

Camp schedules: (Rates are for the times of 8:45-11:45 a.m.)

- Parents can choose a weekly schedule of any 2 to 5 days any or all weeks. (See weekly schedule and rates)
- Parents can chose one or both monthly rates, which offer a 20% saving over weekly rates.
- The 7-10 year old class is available by month(s) only.

Along with the fun summer themes, there will be lots of art projects and science experiments! This summer is going to be so full of laughter and learning!

We hope your family will join us!
