A FUN, EDUCATIONAL EXPERIENCE!

Little Learners Summer Sunsation

What does a typical morning look like during the summer?

Each morning, we will have a Bible story time, bathroom and snack time, outdoor play time, and of course a summer theme-related craft and activity time. So much FUN!

Why only a 4-day week?

This summer, our schedule is a little different, due to a staffing shortage. We will be offering 8 weeks of summer camps with 4-day weeks. We apologize for any inconvenience this may cause our families, but it was the only way we were still able to offer summer camp this summer.

Beneficial change in monthly options:

We have opened up our **monthly** options to choosing *any* 2, 3, or 4 days each week per month. It will be necessary to choose **the same number of days** each week, in order to take advantage of the monthly rates. You can choose one month or both. (The days each week can be different; they just need to be the same **number** of days). And if 4-day weeks are chosen for the second month, the rate will be pro-rated for July 4th.

Extended Care

Extended Care is again available this summer. **Due to staffing shortages, prior notice will be necessary if you would like to bring your child to afternoon Extended Care on days they are not enrolled in summer camp.**

Extended Care Hours: 8:00-8:45 a.m./11:45-5:00 p.m.

Extended Care Fees: Morning: \$5.50 flat fee/day; Afternoon: \$6.50/hour/day

If staying for lunch, it will be necessary to bring a lunch from home. **We provide the snacks!**

Camp schedules: Listed rates are for the times of 8:45-11:45 a.m.

Along with the fun summer themes, there will be lots of art projects and science experiments! This summer is going to be so full of laughter and learning!

We hope your family will join us!
